**Commissioner for Patents**

The timely submission under 37 CFR 1.129(a) filed on 10/5/2006 is not fully responsive to the prior Office action because Applicant previously did not elect claim 28, but has mistakenly added claim 28 back into the current claim set. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
